Description It will helpful to allow the user to rename their jobs and their bookmarked data. it will help to manage them and reuse data more efficiently	

History

#1 - 06/19/2012 03:57 PM - Hervé Ménager

Following a conversation with L. Dacheux, in terms of user interface:

- something like what is available on BMPS to rename workflows would be nice,
- the question of allowing the rename of job archives on download would also be convenient.

#2 - 09/03/2012 01:54 PM - Hervé Ménager

- % Done changed from 0 to 100

- Status changed from New to Resolved

implemented by r4174 and r4175

#3 - 02/11/2013 05:08 PM - Hervé Ménager

- Status changed from Resolved to Closed
